

DIVISION II NATIONALS 2013

Dear Team Manager,

You have been contacted with the following information from your Expression of Interest on the AFDA website. Below is further information about the tournament.

GAME DETAILS:

Due to the larger than anticipated interest in Division II Nationals this year, and the limited field space available, a compromised game format will most likely be required to field all teams. The AFDA has agreed to allowing this to still accommodate as many teams as possible for the tournament.

Game length will be reduced to ~60 to 70 minutes as a result, with early start times for teams based in Melbourne.

As organizers, this is regrettable and we appreciate your patience until now when determining how we would approach this issue and allowing us to ensure it met the AFDA's requirements for the tournament. Best endeavours were made to secure more field space and this would have affected the cost and format of the tournament.
